WHAT WE DO

TRAINING

- ✓ **CHSS Institutes** take place prior to the start of a school year for new to CHSS partners build a foundational understanding of the 9th Grade On-Track research, use of data, the CHSS Roadmap and key tools/processes with getting started with implementing the CHSS Roadmap.

COACHING

- ✓ Expert CHSS coaches support partner schools assess current systems and practices impacting 9th graders' success, develop achievable improvement goals and plans, craft customized coaching plans, then work directly with each 9th Grade Success Team Lead and 9th Grade Success Team for up to 12 hours per month to ensure progress toward goals.

COLLABORATION

- ✓ **Collaboratives** CHSS hosts three collaboratives for teams from each partner school throughout each school year to help partner schools share effective practices for promoting student success, provide a structured process for a network of schools to identify and generate solutions to common challenges.
- ✓ **Webinars** CHSS Webinars are designed to scale best practices across the CHSS Network. Participants will hear directly from a "Spotlight" school team and have an opportunity to collaborate with CHSS Coaches and Network partners.

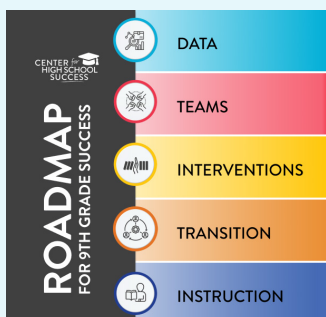

DATA ANALYSIS

- ✓ Regular data reports, including trend and gap analysis, and coaching to enable rapid cycle improvement based on the data.
- ✓ Technical assistance to maximize the impact of limited resources for interventions.

TOOLS AND RESOURCES

- ✓ CHSS provides an array of useful tools, protocols, and other resources to help partner schools significantly lift 9th grade on track rates, as well as support school-wide improvement.
